PROFILE

Graphic Designer with 5+ years of experience across travel, digital marketing, IT, and event-management industries, spanning branding, social media, print, website design (Wix), and UI/UX design for app and web products in Figma. Proven track record of owning projects end-to-end — from concept to client-ready delivery — while collaborating cross-functionally with marketing, product, and development teams to consistently meet deadlines without compromising design quality.

CORE SKILLS

Figma • UI/UX Design • Branding & Visual Identity • Wix • Adobe Photoshop / Illustrator / XD • Social Media Design • Cross-Functional Collaboration

PROFESSIONAL EXPERIENCE

Graphic Designer

Dec 2022 – Sep 2026

Design Master Ltd | Kuwait — IT & Conference Management Company

- Design UI screens and layouts for app and website software products in Figma, translating product requirements into client-ready interface designs.
- Create branding and marketing graphics for conference and IT service campaigns using Figma and Adobe Creative Suite.
- Partner with developers and product teams to align UI designs with technical requirements, streamlining handoff and reducing back-and-forth revisions.

Graphic Designer

Mar 2021 – Oct 2022

TOC Tours Pvt Ltd | India — Travel & Tourism Company

- Designed social media creatives and website banners promoting domestic and international tour packages across ongoing marketing campaigns.
- Built and maintained the company website on Wix, including layout, imagery, and content updates.
- Designed logos, illustrations, and layout systems approved by stakeholders on first review, reducing revision cycles.
- Selected and edited all website imagery, keeping fonts and colors consistent across pages for a unified brand look.

Associate Graphic Designer

Jan 2020 – Feb 2021

Saevah | India — Digital Marketing & Outsourcing Company

- Designed promotional banners, ad creatives, and website elements for client digital marketing campaigns.
- Produced product mockups and prototype designs in Photoshop and Illustrator, speeding up stakeholder approval.
- Planned, created, and scheduled ongoing website content and design updates.

Freelance Graphic Designer

May 2018 – May 2019

Soor Technologies | Kuwait — IT Company (Freelance, part-time)

- Designed social media graphics and campaign visuals for an IT services client on a freelance basis.
- Sketched multiple concept directions per brief — layout, size, type, and style — before final production, reducing client-requested revisions.

Graphic Designer

Nov 2017 – Dec 2018

Green Cap Media | India — Digital Marketing & Event Management Company

- Designed print-ready materials — brochures, banners, and signage — for marketing campaigns and live events.
- Created social media posts and marketing collateral aligned with client brand guidelines.
- Applied core design principles — typography, layout, composition, and color — to keep all client work on-brand and print-production ready.
